

PETERSBURG
Home for Ladies

SINCE 1925

Our "Ladies' Home" Journal

As crocus and daffodils awaken from their winter's rest and the cherry trees begin to showcase their glory once again, the Ladies' Home continues to bloom with smiles, laughter, and the kind of hope-filled love which warms the soul. Our celebratory luncheons, talented musicians, and congenial meeting rooms are all part of the excellence and elegance we have cherished since 1925!

Petersburg Home for Ladies and Encompass Home Health work hand in hand creating strategies for the safety, agility, and general mobility of our ladies.

A special “Thank You” goes to the VanLandingham family for their gracious donation of their mother’s wheelchair accessible Honda Odyssey! In honor of “Mrs. Shirley” the license plate says “Ms S. Van”!
